

CREATE YOUR BIG PICTURE PLAN “B.P.P.”

Ready to turn your big dream into your big PLAN?
It's all about getting clear on your monthly Big Picture Plan.

Step 1

Fill in any trips you already have planned--or are committing to have on your calendar--for the next 12+ months.

Step 2

Add in any major events you have coming up, personally or professionally.

Step 3

Add in your main focuses for each month
(specific marketing or promotional launches, monthly sales goals,
production projects, etc.).

Ideally, this portion would be up to three bullet points maximum so you can have a clear focus.
